**SC Advantage** cabinet locks can be masterkeyed to door hardware using the Schlage C keyway – or other manufacturers' cylinders such as Medeco, ASSA, Primus and more – providing the convenience of **single key** operation.

Both versions – with and without cylinder – feature **Advantage Plus+** which allows users to remove the cylinder for rekeying while the lock remains in place. No mounting screws need to be removed.

Only from **CompX Security Products**, the one-stop supplier for **pin, disc, keyless & electronic cabinet locks**.
